

Fogleman Journey with Jesus.....

Vol. 4, December 2025

“Through Jesus all things were made; without him nothing was made that has been made. In Jesus was life, and that life was the light of humankind. The light shines in the darkness, but the darkness has not understood it.”

John, 1: 3 - 5

December 12, 2025

Dear Friends and Family,

2025 has flown by for us. We enter Advent and Christmas with joy, gratitude, and peace, thankful for prayers and support! Much has happened in the last two months. We joined many Cornell College classmates from 1975 in early October for Sharon’s 50th Class Reunion. The weather was perfect for Homecoming on the campus. Reconnecting was a blessing as we heard many stories of life after Cornell. Sadly, Sharon’s mother Marty lost her husband Woody while we were in Mt. Vernon. He was a special man who loved his family and died peacefully with family and staff at Briarwood Nursing Home. He is missed by all who knew him.

Since our last newsletter in October, we have traveled to Guatemala for a Trauma Healing training with 25 psychology professionals, social workers, and lay

workers from several churches. What a pleasure it was to share this bible-based Trauma Healing curriculum. Their enthusiasm and receptivity was

impressive. We were once again reminded of how many people who suffer “wounds of the heart” and need a trained listening heart to help with healing and hope. Pictures are from TABLE DISCUSSIONS DURING THE TRAINING.

Soon afterwards we celebrated Thanksgiving with family here in Iowa

– our daughter was excited to cook her first turkey as well. We ate far too much! Thanksgiving always brings back wonderful memories from past holidays – sharing times of special friends in Kenya,

Kentucky, Iowa, South Sudan, and Uganda. We cherish those memories – God has truly blessed us! Sharon received a good report from her

Fogleman Journey with Jesus.....

neurologist November 25th and remains thankful for strength and clarity of mind!

After Thanksgiving our daughter Joella and her husband were able to travel to a resort in NE Dominican Republic for a delayed honeymoon (avoiding the hurricane

season!). Despite snow in the Midwest on departure **and** arrival through Chicago, their travels went well. We had the privilege of babysitting for Kali

(nearly 3 years) and True (10 months) for the week. What a blessing to watch them grow and develop over 8 days. We all survived but not until they had shared a nasty cold with us! 😊

We look forward to having family come from Colorado for Christmas. It is always fun to share the Christmas Eve Service and Christmas morning with grandchildren. Our son Mark and his family will look forward to WhatsApp face time from Tirana, Albania where they serve with TMS Global as well.

The plans for 2026 are still developing at this time. We hope to visit friends, family, and supporting churches in the coming months.

Until then, we pray that you will find hope and peace in the celebration of Jesus' birth once again – the Light of the World in the midst of darkness and uncertainty

within our world. Thank you for prayers and support.

God bless you!
