

# Vacation Bible School

Vacation Bible School is held every summer for 5 nights. This is a great way to foster a love for God's Word, and instill virtues like kindness, generosity and compassion.

VBS is typically held the end of June or in July. Please check our social media pages and website for updates.

# Sunday Learning Hour

Between our two Sunday worship services is the learning hour from 10-10:45am.

St. John's has three faith education classes; early elementary (PK-2), pre teen (3rd-5th), and middle/high school (6th-12th). Age appropriate bible stories and activities are held during this time.

## Mid-Week

### Kids Bible Club (K-5th Grade)

This children's program (K-5th grade) is an opportunity for kids (and student leaders) to benefit from a mentor as we rotate each week between reading, working on a craft, and playing a 1-on-1 game. These activities are the "vehicle" in which we can make a positive impact in our kids' lives. We meet on Wednesdays at 5:30pm for a family meal and the children's program from 6-7pm.

## Mid-Week

### SJUMC Youth (6th-12th Grade)

Youth Group meets on Wednesday nights beginning with a family meal at 5:30pm followed by worship, message, and games from 6-7:30pm. Our youth group is a place where everyone is welcome, and we strive to keep a place where everyone feels safe to be who they are. During the night we have large group worship and small group discussions and activities as we recognize conversation can be very different between middle and high school.
